Trustee Kalina request his name and phone number. Finally, Clerk Drayton states there was an issue with the phone lines at village Hall last week. Comcast came out and a short was found in our lines. The technician stated our lines are in bad condition. The probability of this happening again is sooner, rather than later and we need to have someone run new lines. Trustee Buss states can we just get a phone with additional cordless phones. This still leaves the issue of the fax machine. That line is not any better. Village President's Report - President Metzger states he has spoken with several other communities, and they have upped their gaming fees to the newly regulated amount of \$250. The owners are making more than enough money from the machines to cover the increase. He states he would like to see this put on the next agenda.

New Business – there is no new business.

Old Business – the President Pro Tem Ordinance is briefly discussed. The Village does not have an ordinance in place allowing for a Board Member to state they are the Pro Tem president for the meeting. A motion must be made to elect someone as Pro Tem President for any meeting the village president is not at.

Also, while guests do not have to state their name at a meeting, if a sign in sheet is available, it must be signed by everyone in attendance.

There is no other Old Business to discuss. Trustee Norris motions to adjourn the meeting and is 2nd by Trustee Kalina. All are in favor. The Meeting is adjourned at 8:14 PM.

Respectfully submitted by Clerk Drayton
